Dear Guardian of This Wonderful Child,

First, I want to thank your little one for being such a wonderful helper and kind friend this year.

I know they really want this present but my workshop has a difficult time ensuring this item is in stock. I did not want them to miss out on this special gift so am requesting that I leave it here for you to keep care of until it goes under the tree this holiday.

Thank you for keeping it hidden, safe, and wrapping it for them to open when the time is right.

Tell them I am so proud of them and I look forward to stopping by on Christmas Eve for a cookie or two. Thank you, Guardian, for being a wonderful honorary Elf.

Have a wonderful holiday!
